

Welcome to SMA headquarters! Please reference this information for directions and access to our office located on the fifth floor of the Alexan Waterloo building.

New Location

The SMA office is located at 1103 Sabine Street, between 11th and 12th, on the fifth floor of the Alexan Waterloo building. There are two entrances, both located on Sabine Street: 1) Within the glass doors on the street level below the Texas Trucking Association sign, and 2) TXTA elevator inside the parking garage. You must use one of the entrances on Sabine Street (there is no access to the office through the Waterloo Apartment entrance on 11th Street).

Walk from the Sheraton Hotel

Cross 11th onto Sabine Street toward the Alexan Waterloo. The office entrance is located on Sabine Street within the glass doors on the street level below the Texas Trucking Association sign. Dial 000 or scroll on the keypad for a staff directory. You may also enter the three digit code if one was provided. Once the elevator arrives, proceed to the fifth floor which will open directly into the lobby and office.

Walk from the Capitol

Proceed east on 12th and turn right onto Sabine Street. The office entrance is located on Sabine within the glass doors on the street level below the Texas Trucking Association sign. Dial 000 or scroll on the keypad for a staff directory. You may also enter the three digit code if one was provided. Once the elevator arrives, proceed to the fifth floor which will open directly into the lobby and offices.

Drive and Park

From 11th or 12th, turn on to Sabine Street and proceed to the garage entrance on Sabine near the Texas Trucking Association sign. Select the Texas Trucking Association button at the bottom right on the call box. Parking is available on the lower level in the spaces marked TXTA Parking. Take the small set of stairs to level 2 of the garage. Proceed past the glass Waterloo elevator entrance to the elevator marked TXTA. Dial 000 or scroll on the keypad for a staff directory. You may also enter the three digit code if one was provided to you. Once the elevator arrives, proceed to the fifth floor which will open directly into the lobby and offices.
