

Fighting Hunger One Move at a Time

ABOUT MOVE FOR HUNGER

Move For Hunger is a non-profit organization established to support the efforts of our communities' food banks. As you know many people throw out a good deal of "stuff" when they move. Unfortunately, a lot of this "stuff" is food that could be delivered to a family in need rather than thrown away. That's where we come in. Our movers offer to pick up unopened, non-perishable food items during the moving process and deliver it to their local food banks.

OUR NETWORK

41 million Americans struggle with hunger while 40% of the food produced in the US ends up in landfills. Move For Hunger now works with more than 1,000 moving companies across the United States and Canada who are committed to fighting hunger and reducing food waste. Our network also includes apartment communities, corporate housing providers, relocation management companies, and realtors.
